TERMS AND CONDITIONS

1. The Tenderer has to produce the documents in support of his valid contract License / PAN card / VAT C.C. while submission of tender documents.
2. Tenders in all complete shape must be accompanied with attested copies of valid registration certificate, PAN Card, VATCC, along with Draft/Pay order towards cost of Tender paper & required EMD in shape of Demand draft/Pay order in favour of RMC Kendrapara. The EMD should be deposited for each work separately. No adjustment of EMD from one work to another work will be entertained. Tenders without required EMD will be liable for rejection.
3. In case of less quoted tenders, the Tenderer has to deposit the differential amount (between the tender cost and quoted cost) at the time of submitting tender paper for additional performance security in shape of Demand draft/Pay order in favour of RMC Kendrapara. In case of non submission of differential amount at the time of submitting tenders, the tender shall be treated as rejected. Any undertaking for extension of time in this regard will never be entertained.
4. Each tender shall be accompanied with “no relationship certificate” and original affidavit copy regarding authentication of documents by the tenderer failing which the tender will be liable for rejection.
5. The successfully bidder is required to deposit @1% I.S.D before execution of agreement.
6. The contractor should abide by the fair wages clause introduced by Govt. and shall not pay dues less than the fair wages fixed by the Govt. time to time to the labourers engaged by him in the work.
7. All the tenders received will remain valid for a period of 90 (ninety) days from the date of receipt of tenders. Subsequently the period of validity, can be extended with consent, by tenderer as well as the Chairman RMC.
8. The right is reserved to make such increase or decrease in quantities of items of work mentioned in the schedule attached to the tender notice as may be considered necessary for satisfactory completion of the contract work and such increase or decrease shall not be entitled to any compensation and this account except extension of time where considered necessary. Right is also reserved to omit any items of works included in the tender schedule as is considered necessary and the contractor shall not be entitled to any compensation on this account.
9. Items of work not covered in the tender schedule shall be paid at current schedule of rates and those not covered in the said schedule of rates will be paid on actual analysis approved by the competent authority or on derivation from the quoted rates.

Contractor

**Chairman
R.M.C Kendrapara.**

10. On no account the contract work should be sublet to any body without prior approval of the competent authority of the department and in such an event the contract may be rescinded.
11. No compensation for any damage done by rains, floods, cyclone, tide or by any other natural calamities during the execution of work will be paid.
12. The contractor shall make at his own cost housing accommodation and medical aid to the labourers engaged in the work.
13. The contractor shall make arrangement at his own cost at the work site for proper storage of the materials made over to him, if any.
14. The tender, which is not in the prescribed proforma & not strictly according to the terms and conditions of the tender call notice and specification, is liable for rejection.
15. As regards extra items of work besides the schedule of quantities written order must be obtained from the Engineer-in-charge in site order book before the work is taken up.
16. The contractor is to supply necessary labour and materials, for the purpose of alignment, layout & profiling whenever required at his own cost,
17. The tenderers are required to go through each clause of form No. F -2 carefully in addition to clauses mentioned herein before tendering for the work.
18. Approach road to the site will be made and maintained by the contractor at his own cost and responsibility for which no payment will be made by the Department.
19. All the materials required for bonafide use in the work, depending on the description of the departmental authority will be supplied by the contractor only. The materials will be carried to site of work by the contractor at his own cost. Before procuring the materials, the contractor should take clearance from the Engineer-in-charge and the materials produced by him should be got approved by the Engineer-in-charge before use. No departmental materials will be issued to the contractor.
20. Dewatering & Cofferdamming and diversion arrangement for drain water & road if required during execution will be done by the contractor at his own cost & responsibility.
21. Watering arrangement for execution of all cement works will be done by the contractor at his own cost & responsibility as per instruction of Engineer-in-Charge.
22. Concrete should be vibrated with skin vibrator or pan-vibrator as per requirement at contractor's own cost.
23. The contractor is entitled to pay only at the rates quoted by him and enter in the agreement. If the contractor is required to do any ancillary work for doing the main work as per the contract, it will be entirely to his account and nothing extra over and above the agreement rates will be paid.
24. The contractor will make his own arrangements to watch the materials at site at his own cost till the work is finally closed and handed over to the department.

Contractor

Chairman
R.M.C Kendrapara.

25. Any damage caused to the work due to any cause whatsoever during the execution will be made rectified by the contractor until the work is handed over to the department in completed shape "Any cause" includes natural calamities of all kinds.
26. If the proportionate progress will not show with 30 days from the date of commencement of the work, the contract is liable to be closed as per relevant penal clause of the F-2 agreement.
27. All conditions, special conditions put forth by the tenderer/contractor before or after execution of this agreement whether submitted along with the tender or before or after shall automatically stand rejected and superseded by the terms and conditions of this agreement/DTCN. The terms and conditions of the DTCN shall form part of the agreement. In case of any conflict, the terms of agreement and DTCN will prevail.
28. In case of delay in acquisition of land, no compensation will be admissible but time extension will be granted.
29. The contractor shall have to abide by the labour laws and rules in vogue and shall provide at his own cost housing, water supply, sanitation, medical aid and other facilities to the labourers engaged in the work as required under labour laws and regulations.
30. The contractor shall not employ labour of minor age group.
31. The tenderer are also required to go through each clauses of PWD of Govt. of Odisha carefully in addition to the clauses mentioned herein before submission of tender.

TERMS AND CONDITIONS

1. The Tenderer has to produce the documents in support of his valid contract License / PAN / VAT C.C. while submission of tender documents.
2. Tenders in all complete shape must be accompanied with attested copies of valid registration certificate, PAN Card, VATCC, along with Draft/Pay order towards cost of Tender paper & required EMD in shape of Demand draft/Pay order in favour of RMC Kendrapara. The EMD should be deposited for each work separately. No adjustment of EMD from one work to another work will be entertained. Tenders without required EMD will be liable for rejection.
3. In case of less quoted tenders, the Tenderer has to deposit the differential amount (between the tender cost and quoted cost) at the time of submitting tender paper for additional performance security in shape of Demand draft/Pay order in favour of RMC Kendrapara. In case of non submission of differential amount at the time of submitting tenders the tender shall be treated as rejected. Any undertaking for extension of time in this regard will never be entertained.
4. Each tender shall be accompanied with “no relationship certificate” and original affidavit copy regarding authentication of documents by the tenderer failing which the tender will be liable for rejection.
5. The successfully bidder is required to deposit @1% I.S.D before execution of agreement.
6. The contractor should abide by the fair wages clause introduced by Govt. and shall not pay dues less than the fair wages fixed by the Govt. time to time to the labourers engaged by him in the work.
7. All the tenders received will remain valid for a period of 90 (ninety) days from the date of receipt of tenders. Subsequently the period of validity, can be extended with consent, by tenderer as well as the Chairman RMC.
8. The right is reserved to make such increase or decrease in quantities of items of work mentioned in the schedule attached to the tender notice as may be considered necessary for satisfactory completion of the contract work and such increase or decrease shall not be entitled to any compensation and this account except extension of time where considered necessary. Right is also reserved to omit any items of works included in the tender schedule as is considered necessary and the contractor shall not be entitled to any compensation on this account.
9. Items of work not covered in the tender schedule shall be paid at current schedule of rates and those not covered in the said schedule of rates will be paid on actual analysis approved by the competent authority or on derivation from the quoted rates.

Contractor

**Chairman
R.M.C Kendrapara.**

10. On no account the contract work should be sublet to any body without prior approval of the competent authority of the department and in such an event the contract may be rescinded.
11. No compensation for any damage done by rains, floods, cyclone, tide or by any other natural calamities during the execution of work will be paid.
12. The contractor shall make at his own cost housing accommodation and medical aid to the labourers engaged in the work.
13. The contractor shall make arrangement at his own cost at the work site for proper storage of the materials made over to him, if any.
14. The tender, which is not in the prescribed proforma & not strictly according to the terms and conditions of the tender call notice and specification, is liable for rejection.
15. As regards extra items of work besides the schedule of quantities written order must be obtained from the Engineer-in-charge in site order book before the work is taken up.
16. The contractor is to supply necessary labour and materials, for the purpose of alignment, layout & profiling whenever required at his own cost,
17. The tenderers are required to go through each clause of form No. F -2 carefully in addition to clauses mentioned herein before tendering for the work.
18. Approach road to the site will be made and maintained by the contractor at his own cost and responsibility for which no payment will be made by the Department.
19. All the materials required for bonafide use in the work, depending on the description of the departmental authority will be supplied by the contractor only. The materials will be carried to site of work by the contractor at his own cost. Before procuring the materials, the contractor should take clearance from the Engineer-in-charge and the materials produced by him should be got approved by the Engineer-in-charge before use. No departmental materials will be issued to the contractor.
20. Dewatering & Cofferdamming and diversion arrangement for drain water & road if required during execution will be done by the contractor at his own cost & responsibility.
21. Watering arrangement for execution of all cement works will be done by the contractor at his own cost & responsibility as per instruction of Engineer-in-Charge.
22. Concrete should be vibrated with skin vibrator or pan-vibrator as per requirement at contractor's own cost.
23. The contractor is entitled to pay only at the rates quoted by him and enter in the agreement. If the contractor is required to do any ancillary work for doing the main work as per the contract, it will be entirely to his account and nothing extra over and above the agreement rates will be paid.
24. The contractor will make his own arrangements to watch the materials at site at his own cost till the work is finally closed and handed over to the department.

Contractor

Chairman
R.M.C Kendrapara.

25. Any damage caused to the work due to any cause what so ever during the execution will be made rectified by the contractor until the work is handed over to the department in completed shape "Any cause" includes natural calamities of all kinds.
26. If the proportionate progress will not show with 30 days from the date of commencement of the work, the contract is liable to be closed as per relevant penal clause of the F-2 agreement.
27. All conditions, special conditions put forth by the tenderer/contractor before or after execution of this agreement whether submitted along with the tender or before or after shall automatically stand rejected and superseded by the terms and conditions of this agreement/DTCN. The terms and conditions of the DTCN shall form part of the agreement. In case of any conflict, the terms of agreement and DTCN will prevail.
28. In case of delay in acquisition of land, no compensation will be admissible but time extension will be granted.
29. The contractor shall have to abide by the labour laws and rules in vogue and shall provide at his own cost housing, water supply, sanitation, medical aid and other facilities to the labourers engaged in the work as required under labour laws and regulations.
30. The contractor shall not employ labour of minor age group.
31. The tenderer are also required to go through each clauses of PWD of Govt. of Odisha carefully in addition to the clause mentioned herein before submission of tender.

TERMS AND CONDITIONS

1. The Tenderer has to produce the documents in support of his valid contract License / PAN / VAT C.C. while submission of tender documents.
2. Tenders in all complete shape must be accompanied with attested copies of valid registration certificate, PAN Card, VATCC, along with Draft/Pay order towards cost of Tender paper & required EMD in shape of Demand draft/Pay order in favour of RMC Kendrapara. The EMD should be deposited for each work separately. No adjustment of EMD from one work to another work will be entertained. Tenders without required EMD will be liable for rejection.
3. In case of less quoted tenders, the Tenderer has to deposit the differential amount (between the tender cost and quoted cost) at the time of submitting tender paper for additional performance security in shape of Demand draft/Pay order in favour of RMC Kendrapara. In case of non submission of differential amount at the time of submitting tenders the tender shall be treated as rejected. Any undertaking for extension of time in this regard will never be entertained.
4. Each tender shall be accompanied with “no relationship certificate” and original affidavit copy regarding authentication of documents by the tenderer failing which the tender will be liable for rejection.
5. The successfully bidder is required to deposit @1% I.S.D before execution of agreement.
6. The contractor should abide by the fair wages clause introduced by Govt. and shall not pay dues less than the fair wages fixed by the Govt. time to time to the labourers engaged by him in the work.
7. All the tenders received will remain valid for a period of 90 (ninety) days from the date of receipt of tenders. Subsequently the period of validity, can be extended with consent, by tenderer as well as the Chairman RMC.
8. The right is reserved to make such increase or decrease in quantities of items of work mentioned in the schedule attached to the tender notice as may be considered necessary for satisfactory completion of the contract work and such increase or decrease shall not be entitled to any compensation and this account except extension of time where considered necessary. Right is also reserved to omit any items of works included in the tender schedule as is considered necessary and the contractor shall not be entitled to any compensation on this account.
9. Items of work not covered in the tender schedule shall be paid at current schedule of rates and those not covered in the said schedule of rates will be paid on actual analysis approved by the competent authority or on derivation from the quoted rates.

Contractor

**Chairman
R.M.C Kendrapara.**

10. On no account the contract work should be sublet to any body without prior approval of the competent authority of the department and in such an event the contract may be rescinded.
11. No compensation for any damage done by rains, floods, cyclone, tide or by any other natural calamities during the execution of work will be paid.
12. The contractor shall make at his own cost housing accommodation and medical aid to the labourers engaged in the work.
13. The contractor shall make arrangement at his own cost at the work site for proper storage of the materials made over to him, if any.
14. The tender, which is not in the prescribed proforma & not strictly according to the terms and conditions of the tender call notice and specification, is liable for rejection.
15. As regards extra items of work besides the schedule of quantities written order must be obtained from the Engineer-in-charge in site order book before the work is taken up.
16. The contractor is to supply necessary labour and materials, for the purpose of alignment, layout & profiling whenever required at his own cost,
17. The tenderers are required to go through each clause of form No. F -2 carefully in addition to clauses mentioned herein before tendering for the work.
18. Approach road to the site will be made and maintained by the contractor at his own cost and responsibility for which no payment will be made by the Department.
19. All the materials required for bonafide use in the work, depending on the description of the departmental authority will be supplied by the contractor only. The materials will be carried to site of work by the contractor at his own cost. Before procuring the materials, the contractor should take clearance from the Engineer-in-charge and the materials produced by him should be got approved by the Engineer-in-charge before use. No departmental materials will be issued to the contractor.
20. Dewatering & Cofferdamming and diversion arrangement for drain water & road if required during execution will be done by the contractor at his own cost & responsibility.
21. Watering arrangement for execution of all cement works will be done by the contractor at his own cost & responsibility as per instruction of Engineer-in-Charge.
22. Concrete should be vibrated with skin vibrator or pan-vibrator as per requirement at contractor's own cost.
23. The contractor is entitled to pay only at the rates quoted by him and enter in the agreement. If the contractor is required to do any ancillary work for doing the main work as per the contract, it will be entirely to his account and nothing extra over and above the agreement rates will be paid.
24. The contractor will make his own arrangements to watch the materials at site at his own cost till the work is finally closed and handed over to the department.

Contractor

Chairman
R.M.C Kendrapara.

25. Any damage caused to the work due to any cause what so ever during the execution will be made rectified by the contractor until the work is handed over to the department in completed shape “Any cause” includes natural calamities of all kinds.
26. If the proportionate progress will not show with 30 days from the date of commencement of the work, the contract is liable to be closed as per relevant penal clause of the F-2 agreement.
27. All conditions, special conditions put forth by the tenderer/contractor before or after execution of this agreement whether submitted along with the tender or before or after shall automatically stand rejected and superseded by the terms and conditions of this agreement/DTCN. The terms and conditions of the DTCN shall form part of the agreement. In case of any conflict, the terms of agreement and DTCN will prevail.
28. In case of delay in acquisition of land, no compensation will be admissible but time extension will be granted.
29. The contractor shall have to abide by the labour laws and rules in vogue and shall provide at his own cost housing, water supply, sanitation, medical aid and other facilities to the labourers engaged in the work as required under labour laws and regulations.
30. The contractor shall not employ labour of minor age group.
31. The tenderer are also required to go through each clauses of PWD of Govt. of Odisha carefully in addition to the clause mentioned herein before submission of tender.
